Personal data we process

Osteopathy Investigated processes your personal data by registering for the course.

Below is an overview of the personal data we process:

- First and last name
- Address data
- E-mail address
- Phone number

For what purpose and on what basis we process personal data

Osteopathy Investigated processes your personal data for the following purposes:

- Performing our services; organizing the course.
- To e-mail if necessary.
- To inform you about changes of the course.

How long do we store personal data

Osteopathy Investigated does not store your personal data longer than is strictly necessary to achieve the purposes for which your data is collected. We use the following retention periods for personal data: 10 years. Extension follows with new course request. Deletion on your request is immediate.

Sharing personal data with third parties

Osteopathy Investigated will not share your information to third parties.

Cookies, or similar techniques, that we use

Osteopathy Investigated does use cookies to improve your experience.

View, modify or delete data

You have the right to view, correct or delete your personal data.

How do we protect personal data

Osteopathy Investigated takes the protection of your data seriously and takes appropriate measures to prevent misuse, loss, unauthorized access, unwanted disclosure and unauthorized modification. If you have the impression that your data is not secure or there are indications of abuse, please contact us at info@osteopathyinvestigated.org

Confidentiality

-Your name and address will be treated in all confidentiality and privacy.

- Your name and address will never be given to third parties.

-All medical information from course participants and / or their patients that is shared during or around the courses will be treated in complete confidentiality and privacy.

These conditions have been prepared by Osteopathy Investigated on Tuesday, May 27, 2018 and can be modified at any time by Osteopathy Investigated.
